HawleyHurst

Another busy week at HawleyHurst. The Shoebox Appeal was launched with a view to surprising children for whom a Christmas present is not a given. This is a very worthwhile cause and I hope that you will be able to support it.

The Music Department once more outdid themselves with a lively instrumental concert. What a joy to see the emergence of musical talent across a range of instruments.

The 6<sup>th</sup> Form had a mixed week as far as transport was concerned. They almost got to the Mini factory in Oxford to discuss production economics. Unfortunately, flat tyres let them down in the middle of torrential rain. They returned wet, cold and muttering about cars. Their trip has been rescheduled for later in the term. They were much happier later in the week when they participated in go-cart racing. Harry did not require the high way code with which he has been wrestling, and Sophie avoided the trees. Ms Sheather may never be the same again having been in her first go cart.

I was delighted to host a tea for the Pre Prep and Prep Students who had done particularly well this half of term. The red velvet cupcakes oozed purple goo satisfyingly and I am now, fully in the picture about the delights of Roman villas versus Celtic hovels, the joy of spotting sloths in the canopies of the living rain forest, the need to protect the snow leopard and the satisfaction of recycling cola bottles. This was interspersed with a lively debate about Hindu festivals, the delights of Dragon Dancing and the origins of Christmas presents. I am now also fairly expert on where the best Roller Coasters are and how to correctly launch yourself into a ball pit.

Everyone I have spoken to this week is looking forward to the Fireworks Celebration we are holding here on 5<sup>th</sup> November. If you have not booked your tickets yet you can do so by emailing the office on: [office@hawleyhurst.co.uk](mailto:office@hawleyhurst.co.uk) who will ensure that tickets are ready for collection on the morning of 5<sup>th</sup> November.

My thanks to the staff who have been at school late every day this week participating in Parents Evenings. There were many smiling faces, particularly amongst those parents who all their life, had wanted to ring a school bell and finally got the opportunity.

Some of the students have significant homework and revision over half term, whilst others have a tiny bit or have already completed it. Whichever category your child falls into, I hope that you will all have some time off and return refreshed on 5<sup>th</sup> November.

Victoria Smit

Principal

I am pleased to announce this year's intermediate Public Speaking Team: Evie Maslen-Lines (Main Speaker), Jackson Saunders (Vote of Thanks), Ruby Stokes (Chairperson) and Sophie Richmond (Reserve). They will compete in the Rotary Club's Youth Speaks Competition in January at Farnborough Council Chambers for the regional title. They will also perform their prepared speech in assembly in January.

Mrs Mansell.

## Instrumental Recital

On Tuesday 16 October, students from Years 2 to 11 who learn instruments in school performed in our annual Instrumental Recital. Everyone played beautifully on their instruments: clarinet, flute, drum kit, and electric, acoustic and bass guitars. Some of the students have only been learning since the start of this

term and others for many years so it was brilliant to see them all have the courage to get up and perform. Well done to everyone!

Overall it was an extremely enjoyable afternoon and our thanks go to Mr Mitchell (drum kit and guitar), Mrs Riordan (clarinet and sax) and Mrs Sykes (flute and fife) who introduced and performed with their students. Also to Miss Hobbs, one of our piano teachers, who was the accompanist and to Mrs Barter, our Pre Prep and Prep Music teacher, who made it fun for the Pre Prep and Prep pupils who, along with the parents of the performers, were a very enthusiastic and encouraging audience!

If anyone would like to begin Specialist Music lessons on any of these instruments, then please see or email Mrs Price (Director of Music).

Alesha Pearson, Performing Arts Prefect.

## Christmas Shoebox Appeal

Form Group 10P launched our annual Shoebox Appeal in Senior Assembly this week and Mrs Allen explained about this charity in her assembly to Prep and Pre Prep pupils. We hope to collect as many shoeboxes as possible, covered with Christmas wrapping paper and filled with gifts for children who would not otherwise receive a Christmas present. If your son/daughter does not have a leaflet which gives you all the details, then you can find one at reception. We hope that you will support this worthy cause and bring your shoebox into school by Friday 9 November.

### 6th Form Autumn Enrichment Day

Ms Sheather and Miss Heighes bravely took the 6<sup>th</sup> Form Go-Karting on their Autumn Enrichment Day.

Congratulations to Ruben whose fearless driving saw him crowned as winner!

### Junior Science

Year 5 and 6 have been busy designing a boat to race at HawleyHurst Regatta. They looked at streamlining their boats to cut through the water and also considered how the size of the sail could help move their boat along whilst being pushed by the electric fan. Fun was had by all, even if a couple of the boats sank!

## **U8 & U9 Football V Frensham Heights**

### **Team 1**

Jason, Kiaan, Shravan, Louis, Caden, Luka, Charlie, Tanay, Hugo.

Taking on a team comprising all Y4s with a mixed team of Y2-4s was always going to be a tall order but Team 1 acquitted themselves admirably, especially as none of them plays representative football outside of school. Final score: 9-1 to Frensham.

Player of the Match: Charlie for marshalling the defence pretty much single-handed and Caden for his relentless energy which was rewarded with the only HH goal.

### **Team 2**

Reuben, Shay, Roman, Osker, Eva, Ross, Finley, Ewan, Joe.

For many this was only their second ever football match and it was great to see more passing and stronger tackling. Final score: 10-3 to Frensham.

Player of the Match: Ross for his excellent defending, strong in the tackle and then looking to pass the ball up-field once he has won possession.

Mr C McKay

## Drama Feedback

Year 9 and I have been discussing feedback. In the Performing Arts, feedback happens on many levels. The point of feedback is to respond to work that has been presented and suggest ways in which more credit can be gained, dramatic intentions or atmospheres can be enhanced for an audience or performances can be honed.

We deal in emotions and experiences and therefore it is sometimes difficult to separate the emotions of the character from the individual; after all the individual performs the character. It is equally important to focus on WWW (What Went Well) and EBI (Even Better If).

We are artists on a creative journey and we get better at our craft the more we practice, the more we debate and the more we communicate intentions in performance. Talent and ability are released and focused with feedback. Maturity is often required to process feedback. Feedback is immediate and ongoing. Feedback is an integral part of the reflective nature of the Performing Arts. Feedback can come from **peers** from **teachers** and from your **self**. All three are important but honesty and integrity must be applied in each situation.

## MALAYSIAN TRIP

World Challenge 2019

Our HawleyHurst challengers will be travelling to Malaysia in June 2019. Their trip will involve community engagement, supporting the work of the Sea Turtle Conservation projects in the islands off the East Coast.

All proceeds from this event will be shared between supporting our challengers and donations to the sanctuary to enable them to continue their efforts to ensure a future for these wonderful creatures.
